**Tribute from Karen Easthope**

Relation: She was my great Aunt.

To my Auntie Kay's family.

You likely don't know my name, but I still wanted to send my condolences & tell you I loved my great Auntie Kay. All of my childhood memories of her are wonderful. She was a tiny bundle of a woman, with a huge heart. Always very kind & sweet, & always with something to say that would make your day. I will always remember her with great fondness & love. My thoughts are with you all.

...with love, Karen Easthope

(Kay's sister, Edith Beck, was my grandmother. Maxine Easthope is my Mom)
