Tribute from Cheryl Moore

Relation: Friend of the family

To the family of Kay Nixon. Miss Nixon was first my teacher in grade 8 in a special needs class. She taught in a way that I could understand. I had her off and on in 8,9 and 10. If I struggled they'd send me back to her. Then she became my own spinsters aunt Ruby Entner's very good friend for many years. I was a hairdresser for many years and would come to her home in Moat Bay and perm or cut her hair. I knew she did so much with her bottle collecting and sending funds across seas. Such a good hearted person both in and out. Always enjoyed my visits with her. My condolences to your family on the passing of your aunt.
