Relation: All my life

Good friends are the family you choose! Uncle Ken was just that to myself Sharon and Bob. He gave me my first dog, a Shepard from his male he had when I was a preteen, before we moved away! All of us, who are now Adults with children and grandchildren of our own still call him Uncle Ken. This is how important a person he was and will always be to us in our hearts.
We are all so saddened by his passing and draw a bit of comfort in knowing such a wonderful man, husband, father, Uncle and Grandpa!
