Tribute from April Janzen

Relation: Relationship - How did you know the deceased?

Words cannot express how sorry I was to hear the news that Kevin passed away. I have fond memories of Kevin, a devoted dad to his kids when I was a child and I played with Breanne and Sean and more recently as an adult where I had the pleasure to work at the same hospital. No matter how busy he was, he always had time to stop and talk to see how things were going. My heart is breaking for you all, sending love, light and strength during this difficult time.
