Tribute from John Hughes

Relation: Workmate

My condolences Gail. You and Len were the first people I met when I came to Powell River in 1994. I met you in in your kitchen in the town site. I can't remember the name of the fellow I was with but I went to school with him in Burnaby. He was a relative of you or Len and was staying with you guys? On meeting you folks I thought what friendly people, full of life and joy. Over the years I eventually worked with you, and to a lessor degree with Len. You guys will always hold a special place in my heart.
