Tribute from Terry & Eloise Kolach

Relation: Cousin

Terry and I would like to send our condolences to Leonard's family. Your dad was a very compassionate person who loved life and we appreciated visiting him in Powell River and the fishing trips he took us on. We will miss him greatly.

Tribute from walter and stella yakowchuk

Relation: school pals

We were very saddened to hear of Leonard's passing. I will always have fond memories of the early days growing up as neighbors and school days. Even though we went separate ways we maintained our friendship throughout our lives. We will miss Leonard and his visits to Grassland. May my dear friend rest in peace. Our condolences to his family. Tribute from Juliana & Harry Honoroski

Relation: Cousin

Leonard's Powell River Family: We are extremely saddened on the recent loss of Len and would like to express our sincere condolences to all of you. We had so much fun growing up and in later years whenever Len and I spoke on the phone it seems all we did was laugh and laugh. He will be so missed. Rest in peace, dear man.
