Tribute from Betty Russell

Relation: my mother's friend

Lucia was my (Berneice) mother's friend and neighbour when they resided in the Centennial Homes. We had many interesting situations together. Both moved into Olive Devaud and met up again, unfortunately my mother passed away shortly after that so I lost touch. . It's sad to lose our loved ones but it's nice to have so many memories to look back on. My condolences to the family, Betty
