

REMEMBERING
Lucia-Maria Della Maestra

October 23, 1926 - February 7, 2013

Beloved mother, grandmother, great-grandmother and great great-grandmother. Lucy was born to Amelia and Antonio Valent in Venzone, Italy. She spent most of her life in Powell River where she touched many lives in her own special way. In her mobile years she found great comfort with various church communities.

Lucy is survived by her sister Rita, daughter Mitsy, granddaughters Sherry and Tanya, great-grandchildren David, Jeffrey and Jaimee and great-great-granddaughter Amelia. Lucy was a remarkable woman and will be greatly missed by her family and friends.

May you rest in peace Lucia Maria DellaMaestra.
