Tribute from Rob Carriere

Relation: Acquaintance

It was always a pleasure to pour Mr Martella a cold orange juice and have a chat with him after his work-out's at the Beach Garden Gym. Mr Martella's constant drive and determination to keep his body as strong as it could be was so inspirational and up-lifting to me. Two thumbs up Mr Martella.

Tribute from Helen Evans

Relation: Interaction at many concerts

My late husband Chris and I sat in front of your parents at many concerts in the Complex, Walter. We always remarked how proud he was of your musical talent. His death has left a big void, but that will be filled by the wonderful memories you have of him. Deepest sympathy, Helen Evans
