**Tribute from Linda and Gerry Powell**

Relation: long time friend

Although we can't be with you today for Lynda's service, we will be thinking of you all. We remember all our fun trips to Campbell River to visit Lynda and Tom so many years ago, rum and cokes, incredible food, so much laughter. I am glad we had a little visit with you guys this summer when Lynda did her dragon boat paddling. Lynda was such an incredible positive and happy person that I will not be able to think of her without smiling. We're thinking of her girls and their families during this difficult time. She was so proud of you all and loved you all so much...always bragging about all your accomplishments. I know she filled your lives with so many wonderful memories. Tom, please keep in touch with us.
