Tribute from Tina Vanier

Relation: Good Friend

Charlie was a very dear friend of mine. She was the first friend I made when we moved to Powell River from Vancouver 15 years ago. Our socializing schedule then consisted on lunches where I

would co-ordinate and plan the restaurant for Charlie, Sharron, Linda and myself..

A few Christmas dinners were also part of my fondest memories spent with Charlie, Jim and her family. Sadly, due to my health and life in general, we weren't able to spend too much time together over the last few years.

Now, I am the only one left of the four of us. Birthdays, Christmas and "every day" just won't be the same.

In the beginning, Charlie & I went to the yearly Film Festival together. We would watch each Movie and then go out for lunch and thoroughly critique. We then went back for more afternoon viewing and the evening celebration.

Charlie, as we all know, was an extremely talented knitter! Her creations - scarfs, shawls and belts are a beautiful staple of my wardrobe and many others were in town.

Charlie, my dear friend - rest in peace. I'm proud of the love and laughter we shared during hours of being together.

The love, laughter and friendship will always remain in my heart. I regret that I, for one, sadly allowed our friendship to diminish and to drift apart in the last couple of years. I'm so grateful for the love and laughter we shared, you will always remain in my heart, Rest in Peace dear Charlie.

Tribute from Rev. Ken R. Hayden

Relation: Colleague

Dear Jim and Family: I was thinking of Marion and discovered her passing. Marion was a delightful, energetic and warm woman. She was our administrative assistant in Foothills during my time there. She was the best. I never forgot her and often thought about how she aided our ministry by her ministry. She left a legacy and a lasting impression. Rev. Ken Hayden
