Gaynor, I am so sorry to hear about your mother, as I was to hear about your father. Such an incredibly difficult time for you. You were very kind to me when my mum passed away 2 years ago, so I hope that you likewise can take some comfort in the thoughts and prayers sent your way now. Through this sad time, I hope you're able to find some happiness in the fact you were with your parents as they passed. Such a hard thing, but such a blessing too. I hope that as you move forward your memories will sustain and strengthen you.
