

REMEMBERING
Martin Sliwinski

August 25, 1938 - September 22, 2019

Martin was born in Poland and spent his childhood in the orphanages. In the wake of life's turbulent times he moved to Edmonton, Alberta. He eventually moved to Powell River to be close to family members.

He was a very generous person who made regular donations to the orphanages of Warsaw, Poland. Martin was a caring individual who always looked for ways that he could help the less fortunate children of society.

Martin passed away peacefully at the Powell River General Hospital.

Sadly missed, always remembered.
