I'm at a loss for words, may God give you the comfort you need now and may his peace surround you during this difficult time. Hopefully you'll be able to reflect back on all the fabulous memories that you have with Mary Lou and smile & laugh as you think about and share those with others.

She was loved and will not be forgotten. If there is anything I can do please don't hesitate to call.

### **Tribute from Marta Cecchi**

Relation: friend

I am so sorry to hear about Mary Lou untimely death. I have fond memories from the time I lived in Powell River and she was the school secretary and the best pie maker for the baking booth at our Christmas bazaar. She will be remembered as a loving mother and spouse and for her daily "I am awesome" attitude. A big hug to everyone, but especially to Mark and Nancy and the children.

### **Tribute from Shawn and Carrie Campbell**

Relation: She was a co-worker at assumption School and remained a very dear and treasured friend. .

On this one year anniversary of her death I pray that our all merciful God will shower Mary Lou, Domenic, and her entire family with his fathomless mercy and blessings. She was a woman of great joy who looked so forward to being with Domenic in Heaven. Mary Lou is missed so much by us
