Tribute from Dawn Cormack

Relation: Friend of Robyn

My most enduring image of Mumsy Merlene was her waving us off as we left for CountryFest one year. Were we hauling a trailer that she had built herself? I think so.... That image of her puttering in the yard with her treasures is the one that sticks with me.

Robyn, you were an amazing and selfless caregiver to her these past few years. She was lucky to have you. There will be lots of love here for you both when you bring her home.
