Tribute from Lori Missio

Relation: Went to elementary school with him.

So sorry for your loss. We were in the same grade at Gordon Park Elementary school. I remember him as being a very caring, genuine and funny guy. With deepest sympathy, Lori Missio.

Tribute from Kathleen Nassichuk

Relation: school,choir,Catholic church

I send you all my heart felt prayers. I just learned, via FaceBook, of Michael's passing. It was through Face Book that many of us were able to reconnect with Michael last year. He said he was unsure at first then blessed by how many of us accepted and encouraged him. Michael was a blessing to me in many ways. I remember seeing Mrs. Pfister on her knees in prayer. I really believe that God loves Michael and is comforting him now. I really have no words but to mention I will continue to pray for your family. That you may be carried through this whirlwind of grief ...and comforted in God's grace.
