REMEMBERING

Molly Alexander

April 7, 1929 - September 29, 2011

Molly passed away peacefully on September 29, 2011 in Powell River General Hospital. She was born in Tunbridge Wells, Kent, England on April 7, 1929 and came to Powell River in 1991.

Though she lost her battle with cancer, her accomplishments were many and organizations in Powell River benefitted not only from her time but also her smile and ready wit.

Molly especially enjoyed her days at Powell River Health Care Auxiliary and in particular the "Thursday Morning Crew."

Molly's family invites her many friends and neighbours to a celebration of her life being held on Thursday, October 6 at 2:30 pm at the Carlson Community Club (wheelchair accessible). In lieu of flowers donations may be made to the charity of your choice.
