Tribute from Anna (Ann) Mariner

Relation: Close Friend Anna Mariner & Fr. Thomas Nicholson Friend & Former Parish Priest in Powell River

On behalf of myself and Reverend Fr. Thomas Nicholson we send our sincere condolences to Gina, David and family including Norina's brother Tony and family. We hold you all in our prayers at this difficult time. We too feel the immense loss as Norina was dearly loved by the both of us and will continue to remain in our hearts. She was an incredibly special friend, who showed immense love, compassion and care. She delighted in the true joys of family and friends who cared and gave meaning to life! She was truly an inspiration to me (Ann) and a blessing as a role model for all I learned from her. As I learned of what she experienced through her stories from her journey through life over the years I realized that she had this incredible inner strength, determination, courage and devout faith that allowed her to continue on as she did as. I simply was in awe of her and admired her. Norina, despite all she endured was a survivor knowing her family was her priority, and always offered her love. She gave of herself in every way and she was genuine! God created the best as He certainly challenged Norina in life and she accepted it all with every grace! May she now rest eternally in His gentle care.
