

REMEMBERING
Norma Emmonds

March 23, 1930 - September 14, 2012

With great sadness, we announce the passing of our dear mother, grandmother and great-grandmother Norma.

She was predeceased by her husband Leonard Emmonds, all of her siblings, and her great-grandson Gary Hachez.

She is survived by her five children Lorraine, Dan (Connie), Ted, Arlene (Bram) Burge and Elaine. She also leaves behind her sister-in-law Doreen Rogers, 13 grandchildren, 20 greatgrandchildren and many nieces and nephews.

Born in Lethbridge, Alberta, her family eventually moved to Texada Island where she met her future husband, Leonard. They soon acquired property in Powell River where Norma raised her children and worked tirelessly tending her large vegetable gardens and looking after the farm. Grandma's house was a gathering place for friends and family alike. Her coffee pot was bottomless and no one ever left hungry.

We will always remember her caring guidance, her warm smile and her ability to see the good in everyone.

Please join us for a celebration of Norma's life with a potluck luncheon on Saturday, October 6, from noon to 5 pm at Emmonds Beach.
