Relation: best friends and working pals on the same shift in the mill.

with Owen we lost a longtime friend. we worked the same shift on the paper machine, car pooled with Jim Jones and Howard Martin.

Owen was always supporting and visited in later years. He and Val helped me celebrate my 90th birthday .

Owen was proud of his family, our children attended JCHill school together. Owen my friend, we miss you.

Jack Tesch

Condolences to Val and family.
