Thinking of you Travis and family at this sad time. Patricia was always a ray of sunshine when I would see her out shopping. May life's beautiful memories be your support at this difficult time. Much love and hugs.

I just heard and want to extend our condolences to Travis and his family. Patricia had an inspiring sense of humour and had that desirable knack of cheering up those around her. She loved her family dearly and we know she will be greatly missed by all who knew her.
