Tribute from Helen Evans

Relation: Acquaintance

I knew Paul thro the NDP. He was a great guy, always so friendly. He will be missed at QF. My husband died just over a year ago, so I know some of what you're going thro, but God is good. He comforts and sustains us thro thick and thin. God be with you. Helen Evans

Tribute from Shirley Randall

Relation: Acquaintance

Louise I was so shocked to hear about Paul's passing. I am sure I said hello to him the day of his passing? He was a bright light when I shopped at QF as I spent a lot of time in the veggie dept, lol. He would always take a moment to chat when he saw me, knowing my connection to yourself. My deepest condolences at this time to you and your sons. Please feel an embracing hug being sent your way, lots of lov, Shirley

Tribute from Barbara Rainville
