

**REMEMBERING**  
**Philippe Adelard Boulanger**

March 14, 1925 - August 17, 2018

Philippe Adelard Boulanger March 25, 1925 - August 17, 2018 We are so very sad to say goodbye to the best dad and papa a family could ever have had. Dad passed away in his 94th year. He was predeceased by his wife Aida in 1986. He leaves many wonderful memories for his children Loren (Teresa), Terry (Jane) and Allison (Rick), grandchildren Sonia (Glen), Neil (Colleen), Jasmine (Ross), Justin and Charlee (Darrin), great-grandchildren Owen and Lindsey, as well as lots of extended family. Dad (Papa) was always there to help, either fixing or building something for you in his workshop. Woodworking was his greatest hobby, spending many hours in his shop. If you asked him to build you a birdhouse you would likely get 20 or more. We all have many treasured items he made for us with love. There will be no service by request.
