**Tribute from Oneil Carlier**

Relation: Friend

My deepest condolences to Heather and family. So many good times both at work at PFRA and the many social occasions. Grey Cup parties to staff curling bonspiels. Some of the best times of my life and a large part of that was due to the generosity of Randy and Heather. I often think of those PFRA days and how glad I am to have known RD. R.I.P.

**Tribute from Terry Fedorchuk**

Relation: A good friend.

So sad to hear RD's passing. Though we lost touch in the last few years, I still consider him a very good friend. We had many many laughs together, golfing, times at the cabin, the Grey cup celebration in 2003. Far too young.
