

**REMEMBERING**  
**Raymond Charles Sheridan**

May 31, 1952 - September 7, 2012

It is with sadness that we announce the passing of Raymond on September 7, 2012, at Powell River General Hospital. Ray will be remembered for his wit and sense of humour.

He was predeceased by his mother June and sister Caroline, and is survived by his father Walter, sisters Gloria (Rick) and Julie and special friend and companion Dorothy.

The family would like to thank Dr. Lafferty and nursing staff for their care and compassion of Raymond. A donation in his memory may be made to a charity of your choice. No service by request.
