Colleen and family

I just read that Reno had passed away and I wanted to express my condolences. I loved being involved in a baseball game where Reno was involved. As an umpire he would always be trying to "sneak" a play in and hope we didn't catch him and then he would defend himself. He was such a great guy and great to the kids and to the sport of baseball in Powell River. His presence will be missed around any ball park.

I am so sorry for your loss
