REMEMBERING

Richard Glass

November 27, 1937 - June 1, 2020

It is with profound sadness the family of Richard (Dick) Glass announces his sudden passing on June 1. Richard was predeceased by his loving wife of 50 years Bridie Glass. He is survived by his children David, Anne (Pascal) and Rosemarie (Mark). He is also survived by his companion Anna Scott and her family, and his loving grandchildren Christopher, Jessica, Robyn, Christina, Joseph, Sarah and Bridget. Richard will be dearly missed as a wonderful father, grandfather and friend.

In the wind I hear a whisper,

In the dark I see a light,

In the moon there is a shimmer

Reflecting through the night.

Shining down upon us,

I can feel a warming breeze,

Telling us you are still here,

In our memories.

Saying goodbye would mean forever,

But this is just for now,

So I will say I miss you,

Because that is all that I know how.
