Tribute from Dennis Scherger

Relation: One old Diver to another

I was too ill to attend Bob's celebration at the Carlson Club today but on behalf of all us older working Divers may I express my sincere condolences to your entire family. I was very proud to have met Bob. It is a small community we were a part of and Bob was one of those true gentlemen we were fortunate enough to sometimes cross paths with.

I hope you do not mind but I took it upon myself to re-post Bob's obit on a world web site for commercial Divers.

Yours Truly:
Dennis Scherger
