The Daniels family,

Our condolences on the passing of Bob in such a sudden manner. Despite being his first cousin, I had not seen him since I left Bishop's after high school but have very pleasant and fond memories of visiting the warm family home which was always filled with music and laughter and good food.

Bob will surely be missed by his loving family for his many gifts from his love of cooking to his ability to make others laugh.

My daily prayers for you in the lonely and difficult months ahead.

May wonderful memories sustain you!

Relation: Robert's sister was my friend

I was saddened to hear about Mary's young brother, Robert, this morning. I missed her phone call yesterday and decided to give her a call today. Even though I live in B.C. too, we do keep in touch. Mary and I worked together in Grand Falls and she was a big part of our wedding back then, being my maid of honour. Expressing my sincere sympathy to your family. I know the pain of having someone special taken from you so suddenly. God Bless
