

REMEMBERING

Ronald Herman Johnson

December 11, 1955 - October 13, 2016

With sadness in our hearts, we write of the passing of Ronald, of Powell River, at the age of 60.

Ron was predeceased by his loving parents Ruth and Herman Johnson. He is survived by his siblings Donna (Neil), Lynne (Glen) and Mike (Chris), as well as many nieces and nephews he loved deeply.

Ron grew up in and around the Powell River area before spending 30 years working at the pulp and paper mill. He had a fond love of music and movies. We will miss him dearly. A celebration of life for Ron will follow at a later date.

Gone but not forgotten.
