Relation: We grew up together

So sorry to hear this . He was a life long friend. Considering he was blind , he managed to stay very independent of the need for assistance. He had many friends .

Tribute from Huguette Deom

Relation: Close friend

I felt the warmth of your hug the last time on March 13, 2020, before returning home from Melaque (Mexico). Then we spoke over phone, every day, for 13 months, in the hope of finding each other one day because we had made plans. But life has decided otherwise, leaving me alone with immense sorrow.
I want to offer my most sincere condolences to the family and loved ones. Like me, you must grieve by this great loss. Rudy was an exceptional being, endowed with great sensitivity, a being of heart and generosity and despite his visual handicap, always ready to help. He will stay in my heart forever.
Huguette (Montreal, Quebec)

My sympathy to the family. Rudy and his family were our neighbours when I was growing up on Southview Beach. Rudy even babysat me! He was a great person and will be missed.
