REMEMBERING

Shirley Ann Gomez

September 19, 1930 - December 13, 2012

It is with profound sadness the family announces the sudden but peaceful passing of our beloved mother, grandmother, great-grandmother, aunt, sister and dear friend. Surrounded with love she passed with her family by her side.

Shirley was predeceased by her son Shane and her great-grandson Dyson. She is survived by her four children Garry, Diane (Jim), Brian (Nicky) and Sandie (Andy), as well as her grandchildren Krystal, Shelby, Jacquelyn, Richard, Jennifer, Brent and her eight greatgrandchildren Madison, Chase, Padn, Noah, Trey, Taylor, Nathan and Gemma. She was able to become a child again and cherished her time spent with her wonderful grandchildren and great-grandchildren.

Gramma,

The love on your face, the concern, the pride, the joy and the enjoyment as you watch your grandchildren play a game in your backyard, this is what I think must be best about being a grandparent. I wonder how it must feel to see your own children in the faces of these small ones. You have said many times to us all how much you love them, but I think we could see it is abundantly clear if you never said the words at all. Your face is easy to read. You love them. You love us all and we are so blessed by you.

Golden years? Well, I believe that speaks of the gold you bring to our lives, the priceless way we can all see your love. That is truly golden, and it is absolutely clear…

Hurry Mom, Darlene, Gladys and Shane are waiting for you.
