Svend I didnt know you very well. I had met you several times when I was young. My dad would always tell me about you and send you pictures my brothers and I. I know you loved Gran Gran very much and I wish I could of been closer to you, my dad would tell me many interesting storys about you and how much me and you were alike. Im so sorry I didnt get to know you better. Hopfully someday I will get to see you again.

Love, your grandson Sam!
