So many little things bring memories of Terry and the times we spent with her, Brian and Jess and our families and friends... at the beach, making dinners together, going for a walk, having a lunch out, just quietly talking with a glass of wine. We hold her in our hearts. We went to Albuquerque last week, and

Terry's spirit was there; ate Mexican food, and there she was again. She will always be a part of our lives, and her warm smile will always come to me when i think of her. all our love and condolences, Nancy and Bob Turner

**Tribute from Christine Fisher**

Relation: sister-in-law

Brian and Jess..I am so thankful that I got to spend some time last May with you all. Terry had a wonderful gift of erasing time. Whenever we got together, the years seemed to melt away. I loved her sense of humor...very soft spoken, but could come away with great zingers! What I love most about this lady is the deep love she has for my brother and for her beautiful daughter and her family.
