

REMEMBERING
Tess Maksymiuk

January 23, 1927 - March 7, 2017

With sadness we announce the passing of Tess Maksymiuk. She is predeceased by her husband, Bill and brothers Lawrence, Bob, Jack and Leo and her special sister Sigrid. Tess was loved by all that knew her and enjoyed doing what was ever asked of her. She had a great love for animals especially her yorkie Buffy. Tess and her husband will be remembered for their taxi service in this town; she dispatched and her husband, city Bill owned and operated. Tess leaves behind many nephews and nieces and lots of friends in this community and will be dearly missed.
