Tribute from david alan styles

Relation: brother

my dear brother has gone and i will miss him- he was the eldest of the family and now it has been passed onto me- i feel great sadness that my family is becoming smaller. BUT his true faith and acknowledgement of God in his life over the past 10-12 years was a remarkable change- he was a truly changed man; his love for his children and grandchildren shone through these days- the last time i saw him, he gave me his love and blessing, a gift from his heart to mine- a cherished memory. may he be celebrating in God's family with a new and healthy body. Tom was a man that had allowed God to change him from the inside out; wait for me, my brother, as we will celebrate together once again
