Tribute from Carole Diffin

Relation: went to school with Vern

My condolences to Vern's family at this time. I went to school with Vern and met up again with him later in our lives, he was a very likable person. I just lost my mom last week so I know what you are going through. Hopefully the pain lessens for us all knowing they are finally at rest. Sincerely Carole Diffin

Tribute from Eric Toneff

Relation: know Brian and Miranda

Brian, Miranda,

I offer my heartfelt condolences to you on the loss of your dad. You are far too young to know the pain of losing a parent and my heart aches for you both. I wish only the best for you both. Again I am sorry for your loss.

I miss seeing you both but maybe one day soon we can get together for lunch.

Take care of each other and take care of Nanny and Pat

Tribute from Crystal Gallant

I am so sorry to hear of Vernon's passing.

May time lessen your "heart pain".
