Tribute from Pat and Brian Johnson

Relation: cousin

We are so sorry we can't be with you in person today but know our hearts and thoughts are there. Virginia was the centre of your family and she loved all her "boys".. We spent many happy family reunions at Pat and Virginia's, where we felt at home and could help out and visit like family.. Pat and Virginia were a unit and where one was the other was close by, this is something we don't see often in our world today and she will be greatly missed. To Pat, Roger, Jay, Curtis and their families remember the good times the "Virginia Times" as you struggle to make it through that hour and then that day and week. If love could heal all ills Virginia would be with us for ever just as her memories and her laugh will be.....Love you all Pat and Brian
