REMEMBERING

Virginia Mary Butler

October 3, 1955 - July 7, 2016

Devoted friend, naturopath and nurse, Virginia Mary Butler died peacefully in her home on July 7, 2016, with her dear partner and friend by her side. Virginia was born on October 3, 1955, in Claresholm, Alberta, to Keat and Mary Butler.

She leaves behind her siblings Milo (Jackie: deceased) Butler, Bryce (Judi: deceased) Butler, Rosella (Francis) Self and Carol (David) Boyle, many dear nieces and nephews and her long-time partner and friend Rob (Robbie) Richards.

Virginia enriched the lives of many, enjoyed travelling and was happiest at home surrounded by her garden. She was Mother Earth, with a nursing background, and viewed her illness as a challenge she dedicated herself to. Her mantra was 'the universe is unfolding exactly as it should.'

She is gone from our sight, but her spirit lives on in those of us fortunate to have been enriched by her uniqueness.

A celebration of life will be held in her garden at 6836 Alberni Street from 2-5 pm on Sunday, August 14.
