

## REMEMBERING

# Wendy May Mitchell

May 1, 1947 - November 29, 2016

Wonder (Wendy May) Mitchell Wonder returned as a shining light to Spirit on Tuesday, November 29, after 70 years of living an interesting, sometimes challenging and fun-filled life. Wonder always had a circle of loving playmates. She created beautiful spaces wherever she lived and invited her friends to play and relax. She reminded us all of the child within. Her generosity and spirit were truly limitless. She will be missed by her many friends. A celebration of Wonder will be held in the spring of 2017.
