So very sorry to hear of Bill's passing. Like all of those old pilots, he enjoyed life to the full. Our thoughts are with you, Barb & family,

Tribute from Jan & Matt Simpson

Relation: Friends of Kieron & Tracy

So sorry to hear about Bill. Our thoughts are with you and the kids. We didn't know Bill in his younger years but I understand that he was a pretty fun-loving guy and lived large. He still had a good sense of humour late in life, when we met him. We thought quite highly of him. Take care of yourselves, time will heal. Big hugs!!

Tribute from Fred & Mary D'Amico

Relation: Friend.

To the grand-kids that he was so proud of; to Kieron, Kelly & Laurel; Brad & Randy; and especially to Barb, our thoughts are with you all.

It was with great shock and sadness that we heard of Bill's sudden passing. We have lost a special person and good friend but the memories of all the good times are ours forever. From sharing a cabin on Bonaventure to pushing Bill in his wheel chair through the streets of Mexico he had an indomitable spirit, sense of humour and unfailing optimism.

I will have a glass of single malt in his memory.

Fred & Mary

Tribute from Chuck D'Amico

Relation: Friend

I will remember Bill's joy of life, his proudness of his life and career. I am glad I knew him.

Tribute from Bud Jardine

Relation: naval friend

It is sad to learn of the passing of a fellow Venture graduate and naval aviator confrere. Bill's ready smile and sense of humour always gladdened the hearts of his ship and squadron mates.

Tribute from Joe and Joan Paquette

Relation: Another Navy pilot

Barb, Kieron, Kelly, Laurel, and Kenny: We were sad to hear that Bill had made his last "cat shot". I know that the last years have been tough and he is truly in a better place (for him).

Bill was big in my early years in the Navy and we had a chance to reconnect later then again in discussion the 2009 Reunion.

This picture better reflects the fun that was Bill (that is me laying on his back) and I will never forget sliding to a stop in the Dockyard -parking lot in his old JAG and leaving it where it stopped to run for the gate to beat "curfew".

Your final grade is an "OK ...3 Wire".

Joe

Tribute from Wilf Lund

Relation: Schoolmate and Venture Classmate

Barb and family,

I wish to convey the sincere condolences of the Venture graduating class of 1961. Bil and I were at University School together in Victoria then we ended up in the same term at Venture. We all played hard, worked hard, cruised and laughed together until we went on to the serious business of being naval professionals. We all remember Bill for his good humour, great smile and Tony Curtis good looks. His last years were challenging we know. He is at peace now.
