

**REMEMBERING**  
**Wilma Wanda LeNaour**  
April 13, 1924 - February 9, 2018

Wilma Billie LeNaour April 13, 1924 - February 9, 2018 It is with love and awesome memories the LeNaour family: Lorne, Lance, Wanda and Cindy, announce the passing of their mother, Wilma. She touched every person she met with her warm, caring heart and generosity. Wilma was predeceased by her son Brian, when he was the tender age of nine months, and her husband Lucien (Lou), in 1976, son Wendel, son-in-law Charley and numerous relatives and friends. She never remarried as no one else could ever fill her heart like her first and only love. The family would like to thank Doctor Elliott, Powell River Home Care Services, specifically Michelle and Brenda's entire team for its compassionate and skilful care of Mom and for its respite to the family, Powell River General Hospital, Veterans Affairs Canada, her caseworker and numerous friends. No service will be held upon Wilma's request. Donations can be directed to Powell River General Hospital.
