REMEMBERING

Yvonne Halvorsen

April 5, 1935 - November 2, 2021

We are saddened to announce the passing of our Mom on the morning of November 2, 2021, at her home on Texada Island.

Left to mourn are her son Steven (Wendy), and their daughter Liz (James); and her daughter Joanne (Brad), and their children Colin and Lisa. Predeceased by her husband Raymond, her sister Laura, and her brother Jim. Also, predeceased by her friend Jack.

On November 9, 2021, a small graveside service was held at Woodland cemetery on Texada with Reverend Gayle Chouinard officiating. Mom was buried next to Dad who passed away in February 1994, just 3 short months after they had moved to Texada to retire, and start the next chapter in their lives. Sadly that was never meant to be.
